The weekly form time slides which are shared with our students include the complete range of clubs which are on offer, both at lunchtime and after school. From our popular arts and crafts club on a Monday after school to a Tuesday lunchtime Maths Surgery where students can get homework help or simply ask a maths question which they are struggling with. There is a weekly book club which takes place every Friday lunchtime in the Library and numerous Computer Science Clubs taking place on a Tuesday and Thursday lunchtime; there is something for everyone.

Getting involved is so good for our mental health; ask your child to have a chat with their form tutor if they are interested in joining in with anything.
