Welcoming everyone back...

M I am looking forward to seeing my pupils, their smiling faces and sharing in their triumphs and challenges. Mostly, I want my school to be full of our pupils enjoying the amazing things that education can bring. We have missed them and the building has seemed empty! Time to look forwards with positivity and hope through the eyes of our young people. Can't wait! **Mrs Gabbi**

I am looking forward to seeing all the students and I looking forward to teaching Year 10 and Year 11 practical Drama. Also looking forward to planning We Will Rock You... **Mr Shea**

I'm looking forward to seeing all our students return and to be able to catch up with them in the canteen at break time. I also cannot wait to have my fantastic year group back in their pod busy learning and laughing. **Mrs Petchey**

I can't wait to see your faces and hear your voices again! May the halls of Montsaye be filled with the vibrance and enthusiasm of you all once again. We've missed you so much! **Mrs Bateman**

I'm sooo looking forward to hearing the school buzzing with students again after the quietness of home learning! Bring it on! **Mrs Edney**

I am just looking forward to being back in a full and vibrant school, I'm looking forward to watching a stream of children heading up Greening Road and welcoming them in from the school gate. I am looking forward to telling bad jokes and watching them roll their eyes at me. Most of all I am just looking forward to the energy that our school brings **Mr Berridge**

I'm looking forward to how sparks of ideas during discussions ignite new bigger sparks of even better ideas. I have REALLY missed that and the buzz when students realise something for the first time. **Mr Chandler**

What I am looking forward to the most is the sound of laughter. I miss hearing my students and colleagues laughing with each other. **Mrs Briffa**

I am most looking forward to seeing smiling faces in the classroom and being able to support students when they get stuck. **Mr Jordan**

I am looking forward to being reenergised by the pupils, actually being able to see them engage with history again is something I cannot wait for!
☺Also looking forward to getting back to a "normal" routine. **Mr Wiggins**

Montsaye Reading Challenge Blog

Last week’s Reading Challenge Blog was centred around World Book Day (4th March). Throughout the day, members of staff provided photographs of their bookcases at home which we then posted on our Twitter page. At the start of each lesson, an extract from ‘The Hitchhiker’ by Anthony Horowitz was shared with all pupils. Head over to the Reading Challenge Twitter page (please see twitter handle below), where you will find everything our pupils and staff got up to.
