Forthcoming Dates for your Diary

Monday 3rd May: Bank Holiday; school closed.

Tuesday 4th May to Monday 10th May: Year 11 assessments.

Tuesday 11th May: Year 10 parents' evening.

Year 10 Parents' Evening Tuesday 11th May 2021

The Year 10 Parents' Evening will take on Tuesday 11th May from 4.00pm to 7.00pm. In view of Covid restrictions, the event will take place online, however, this evening remains an invaluable opportunity for you to virtually meet your child's teachers to discuss progress, engagement and areas for development. The academy has introduced an easy to use online appointment booking system which allows you to choose your own appointment times with teachers; appointments are limited to five minutes each. Appointments can be made from 9.00am on Tuesday 4th May and will close at midday on Tuesday 11th May.

To login, you will need your details to match with the information which we hold on our school records, such as your full name, email address and your child's full name and date of birth. If your login fails, please email the data team to ensure that we hold the correct details: data@montsaye.northants.sch.uk. Please visit: [School Cloud](#) to book your appointments. Please click: [Parent Guide](#) which will take you to a short guide on how to book appointments. Alternatively, please click: [Video Guide](#) which will take you to a video guide on how to book.

Mrs Gatiss, our SENCO, will also be available should you wish to book an individual appointment with her. Should you wish to book an appointment with Miss Malins, the Year 10 progress leader, please email her directly (fmalins@montsaye.northants.sch.uk) and we will be able to either book a slot during the evening, or arrange an alternative time for a longer discussion, if necessary.

Another Extra-Curricular Club added to our list...

Year 7: Code Club - Tuesday lunchtime in CH. Pupils can learn to create websites, games, apps etc.

National Online Safety

The National Online Safety organisation help to make the internet a safer place for children. They work towards keeping children safe online by providing online safety education and training, equipping school staff, parents, carers and children with the knowledge they need to understand online dangers.

Head over to their website: [National Online Safety](https://www.nos.org.uk/), where you will find lots of useful information, including ways on how to set up parental controls on devices and free online safety guides on supporting children online.
