

25 July 2025

Dear Parent/Carer

As we prepare for teaching in September, I wanted to follow up around communications we previously sent home regarding footwear in PE for lessons on the astroturf.

For KS4 students who study GCSE PE or Sports Studies as a qualification option, moulded football boots are a compulsory part of the PE uniform. The following footwear on the astroturf is not permitted: metal studs, astroturf trainers, trainers, school shoes. Below are links to examples of boots which would be suitable.

There will be the expectation that when students are requested to bring in these boots by their class teacher, they will have the boots with them for their lesson.

[Buy Umbro Mens Attaccante FG Firm Ground Football Boots Black/White](#)

[Buy Puma Ultra 5 Play FG/AG Firm Ground Football Boots Lapis Lazuli/Puma White/Sunset](#)

[Buy Puma Mens Attacanto FG/AG Firm/Artificial Ground Football Boots Electric Lime/Puma Black](#)

For KS4 students who do not do GCSE PE or Sports Studies as a qualification, they will not be disadvantaged if they do not have moulded football boots, as their lessons can take place on the field. If these students do have moulded football boots, they are able to wear these on the field for their lessons and for extracurricular clubs on the astroturf.

Kind regards

Mr Wing
Head of PE
