Dear Parents/Carers,

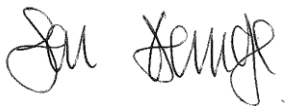

You may be aware that this week is Children's Mental Health Week and are working with the NHS Mental Health Support Team to ensure that we are able to sign post and offer appropriate support to positively improve mental health and well being.

It would be beneficial if you were able to complete the survey link below regarding your experiences with mental health support at Montsaye Academy, to help develop this area to ensure that we are providing the most effective support for your children.
