Dear Parents / Carers

RE: 2022-23 Provision for resources for Design Technology lessons, for students in years 7,8 & 9.

To support our students and their families and to enable access and involvement for all students, the Design and Technology department will provide the ingredients for food technology lessons and other essential materials for art & design projects.

We are asking parents to contribute £20 for the resources and ingredients for the academic year 2022-23. Payment can be made by online payment (our preferred option) or by cheque made payable to Montsaye Academy. If paying by cheque, please complete and return the slip below by **Friday 9th December 2022** at the latest (form completion is not necessary if you pay online). No student will be denied participation in an activity because of difficulty meeting the cost. In cases of financial hardship, please contact Ms Gray Business Manager at office@montsaye.northants.sch.uk in confidence.

Your contribution will cover:

Module	Outcome	Duration of the module
Food Technology	Variety of food items 5 practical lessons	10 weeks
Textiles	Year 7 skills building & canvas bag Year 8 – cushion cover Year 9 – Sweet bag / tablet sleeve	10 weeks
Timber	Year 7 – Wooden man Year 8 – Wooden Box Year 9 – Glow Lamp	10 weeks
Polymers	Year 7 – Keyring Year 8 – Hand held game Year 9 – Clock	10 weeks
Art	Year 7-9 students will explore a variety of media and technology, including ceramics and other 3-D materials. Year 9 students will also have the opportunity to use spray paints.	All year

Occasionally, students will still be required to bring in equipment in order to take food home. Students will be allowed to take home all of the practical items that students create in Art & Design.

I hope that you find this convenient and cost effective and thank you in advance for your cooperation.

If you would like to discuss this further, please do not hesitate to email me mthomas@montsaye.northants.sch.uk
