Dear Parents/Guardians,

Following on from the letter sent by Progress leaders, which can be found [here](#), I would also like to extend a huge thank you to parents and our amazing pupils for their support, during the implementations of our new routines. As our progress leaders have highlighted the pupils look smarter and the focus on learning has been excellent. It has been an exceptional start to 2023.

We fully recognise that there will be some adaptations and tweaks we will need to make as things proceed and we have welcomed the support and feedback from parents, staff and pupils, particularly around the detentions systems. This has now been adapted following the feedback received.

We will be introducing our corridor expectations after half term which will highlight our expectations for excellent conduct to and from lessons, and when moving around the Academy.

Finally, from me I just wanted to say how proud I am of all the pupils, they are just incredible, they emulate our values every day, they look so smart and are ready to learn.

In addition to the above, our Chair of Governors and I will be holding a drop-in coffee/tea catch up where you can come along for an informal chat to discuss our future plans for Montsaye. **This will be on the 22<sup>nd</sup> of February at 2pm.** Places will need to be booked in advance. Please email my PA, Joanna Ginns on [jginns@montsaye.northants.sch.uk](mailto:jginns@montsaye.northants.sch.uk) to request a place. I am also pleased to say following a bit of a break we will be reintroducing the Parents Forum, more information to follow on this after the half term break.

We look forward to working with our school community to enhance the pupil experience at Montsaye Academy further.

Yours faithfully

Mrs Meena Gabbi  
Principal
