We will no longer have cash loaders on site and catering staff will not be able to add money to students account if they bring physical cash to site. Please see link to scopay below.

Vericool (our new online catering service providers) bring some exciting opportunities to Montsaye and we look forward to working with them in September.

We also have a considerable amount of work going on during the summer break and look forward to welcoming all the pupils back after a restful break, into some refreshed areas of the school.

I wish everyone a happy summer break.

Yours faithfully

Mrs Gabbi
Principal
