

December 2022

Dear Parents/Guardians,

I wanted to extend a huge thank you to you all for what has been a very good start to term at Montsaye Academy. If you access our Newsletter [here](#) you will be able to see the wealth of opportunities that are on offer for your child.

As we move into 2023, we are very much looking forward to welcoming your children back. **All children will arrive on the first day 3rd January at 10am and go straight to tutor time.**

Please see bus timings at the end of this letter.

There will be a few small changes to each day, none have any impact on starts and finishes but I think it is very important to communicate what we are planning moving forwards:

It is very important that we make a strong start to the new term, and as part of this we will be introducing line ups in the mornings during tutor time so we can check uniform and equipment. This will now form part of our routines and is part of the high standards we set, as it means that the day and lessons can start and the focus can be on learning.

Please see the letter sent out by progress leaders [here](#).

As mentioned in the letter above, if there are any issues getting uniform then please alert your child's progress leader so that we can find a solution to ensure all pupils are fully equipped and ready to learn at the start of the new term.

In terms of lunch times we are reverting back to the three lunches that we had prior to this year. We strongly feel that this will help with queuing which a lot of the children are frustrated by and ensure the pupils have ample space, inside and outside. Outdoor sports at lunch times will be banned for the time being. See further timings below for lunchtimes below:

Year groups	Area	Times
Year 11	Restaurant	12:30 to 13:00
Years 8 & 10	Cafe	13:00 to 13:30
Year 7 & 9	Cafe	13:30 to 14:00

All lessons will start promptly with clear exit and entry routines which we have already introduced this term but we will be re-enforcing in the new year. This is only to ensure that lessons focus on learning and that all our pupils are ready to learn.

We are looking forward to these changes as we believe that they will support us further, with making Montsaye an even more wonderful school. To achieve this, we will rely on your full support and cooperation and I look forward to this in the new year.

I wish you all a happy holiday and a wonderful new year.

Yours faithfully

Mrs M Gabbi

Principal
