3 April 2020

Dear parents and guardians,

I wanted to extend my huge thanks to you for all of your support over the last two weeks. The children have continued to demonstrate our values and we look forward to their letters as part of BBC radio Northampton's 'Make a difference project' in which we continue to support our local community. I would like to insist that they take some time away from school work over the Easter break as they have been working very hard on their home learning.

Just to note that due to no children of critical workers attending our provision we will be closed over the Easter period. We will reopen on Monday 20th April to children for critical workers only at this stage.

I sincerely hope that you have a wonderful break and take time out to relax with your loved ones during these unprecedented times.

Yours faithfully

Mrs Gabbi
Principal
