Water Bottles

Whilst refillable water bottles and the need to keep hydrated are important all year round, it is particularly important during the warmer summer months. Please ensure that your child carries a refillable water bottle with them at all times.

Water bottles

Expectation

Water bottles are an essential part of your equipment.

This can be a bottle reused from a drink you have bought or a water bottle of your own.

You will not be allowed to use a plastic cup from student reception, pastoral, or the canteen. If you need us to provide you with a bottle due to difficulties, contact your form tutor who will email the SWO.

Thank you
