**Water Bottles**

As the weather becomes warmer, we would like to reiterate the importance of your child carrying a refillable water bottle with them at all times (this can be one from a drink which has been purchased previously). Please remind your child to fill their water bottle at break and/or lunch time. If you need us to provide your child with a water bottle due to difficulties, please contact your child's form tutor in the first instance. Students are not permitted to leave the lesson to get a drink.
