Prizes in our Maths Department

Staff in our maths department are now issuing raffle tickets, alongside ERA points, to students who show good ERA values in their maths lessons. Students should write their name on their raffle ticket and hand it back to the maths teacher to be put into the raffle ticket boxes. At the end of each week, there will be one raffle winner from each year group. The more raffle tickets the student has, then the better chance of them winning a prize.

Winners for week ending 17th June were:

Year 7: Noah S.

Year 8: Charlie D.

Year 9: Anastassia H.

Year 10: Jay N.
