Art Competition: Celebrating Black History Month October 2022

As part of our celebration of Black History Month, we have launched an art competition. We are asking our students to create a poster or drawing depicting this event. We would like them to think outside of the box and do something that we have never seen before. Finished artwork should be delivered to the ERA room by 31st October (after half term). There will be prizes for the best entries.

Student Voice

Applications for ambassadors are in and the final decisions are being made as to who will be elected as form representative. Our student voice process is an important part of our school democracy and students are encouraged to take a leadership role and to be representatives for the other students in their forms. They have an active role in sharing worries and suggestions, as well as being a powerful force for good in planning charity initiatives. Watch this space for election announcements...

Student Role in our Community - Charity Organisation

Every year group is being challenged to plan an event and raise money for a charity of their choice. If your child is passionate about a particular organisation, why not get them to talk to their form tutor to nominate it for their year group's fund-raising charity? Individual students will always be supported to raise money for charities close to their heart.
