Extreme Temperatures

Dear Parent/Carer,

Conditions in many of our schools today have certainly been challenging and we would like to thank our Pathfinder Pupils for their maturity in coping with the heat.

We are aware that there will be little respite tonight, consequently your children may be affected adversely by the heat. Temperatures tomorrow (Tuesday 19th July) are forecast to be similar, with this in mind if you feel that your child's health will suffer as a consequence we would advise that you keep them at home and call your child's schools absence line as normal.

Alternatively, if you would like your children to attend during the morning with the option of picking them up before lunch at 12.30pm, please let the school know. Buses have been scheduled for 12.30pm to collect pupils. There will be no scheduled buses at 3:00pm.

Schools will continue to operate as normal throughout and absences due to heat will be authorised.

The forecast for Wednesday 20th July is looking more normal for the time of year, we look forward to seeing everybody back in school to enjoy the end of the academic year.

Many thanks,

Ann Davey
Chief Executive
Pathfinder Schools
