

Dear Parent/carers,

We extend our thanks to those who attended our recent Parent Forum. We hope the session provided reassurance as we endeavour to rebuild both the school and trust within our community.

For those unable to attend, you can find the presentation slides on our website via the following link:

Following the Easter break, we will be hosting another meeting for parents to meet the new senior team, details to follow after Easter. Additionally, we will be arranging tours for parents during the summer term, allowing you to witness firsthand the progress made and the implementation of the 'New Montsaye Way' since the most recent Ofsted report.

We are optimistic that together, we will restore Montsaye as a school our community can take pride in, where every student feels safe, happy, and are able to flourish.

Your involvement is crucial to our improvement journey, and we are committed to working with you to ensure the success of your child.

Should you have any concerns, please do not hesitate to reach out to the school, and we will address them promptly.

Best wishes
