January 2020

Dear parent/guardian,

Hopefully you will be aware by now that your young person has the chance to take part in the summer of a lifetime to help them with their next steps after year 11. If you have not already heard, then NCS is a three or four week experience designed to give young people the opportunity to develop their skills for the future while having an incredible summer, and meeting people their own age from all over the Midlands area.

They will be joining 500,000 young people across the country who have already had the chance to set themselves apart from others when it comes to interviews for jobs, apprenticeships or university places.

Your young person's NCS place will only cost **£50**. This is the entire cost with nothing else to pay. Transport to the residential centres and 3 meals a day whilst away are all included.

To book your child's NCS place for this summer and really finish off your January deal shopping, please visit **wearencs.com** and head to the sign up page, places are filling up extremely fast though so please make sure you and your young person do not miss out. Making next summer all about their future.

Yours faithfully

Mr Roberts
Year 11 Progress Leader
