Dear parents and carers

**Experience Day at Nottingham Trent University – Wednesday 10<sup>th</sup> May 2023**

We are delighted to share that Nottingham Trent University is able to welcome us to their City Campus for a University Experience Day. Nottingham Trent is usually a popular choice for Montsaye students (the number one choice of our current Year 13 students), so we are looking forward to be able to take our Year 12 to visit. The day will be made up of a number of activities, including a campus tour, Personal Statement workshop, and a talk on Student Life. There is no cost for this event. Details about departure and return times will be shared with you all closer to the day.

Due to the coach capacity, we are only able to take 55 students on this trip, so we will have to operate attendance on a first come, first served basis. Once we have a full coach, we will open up a reserve list. Therefore, it is important to send the attached consent form back to Mrs McNish as soon as possible if your child would like to attend.

On **Wednesday 17<sup>th</sup> May**, we have a range of speakers coming in to speak to Year 12 about apprenticeship options in various industries. The talk will be held in the Sixth Form Centre, from 2.00-3.00pm. While many students have a Home Study session during this time, we require **all** students to attend this talk, so they are clear about the apprenticeship option as a good alternative to university. Students who have Home Study on Wednesday 2.00pm can select another hour instead for this week only.

Alongside this visit, we will be supporting students in school with their next steps, through our PSHE programme, and via form tutor support and mentoring. This will include starting the UCAS application process for those students who want to go to university. All students also have access to a Careers Adviser at school. If your child would like an appointment, please ask them to contact Mrs McNish and she will be able to arrange this.

Finally, I would like to confirm the dates of the Year 12 Summer Mock Exams. These will take place from Monday 26<sup>th</sup> June until Friday 7<sup>th</sup> July 2023.

If you have any questions about anything in this letter, please do not hesitate to contact Mrs McNish, Mr Adams, or myself at the Academy. I am really looking forward to supporting your child as they take the next steps on their journey.

Yours faithfully

Kerrie Jones

Head of Sixth Form
