Dear Parents/Guardians,

The purpose of this letter is to inform you of the work we are looking to do within your child's school on the 11<sup>th</sup> November 2021. This input is based around a national operation called Operation Sceptre - Knife Crime.

Both nationally and particularly locally, knife crime is increasing and this is a vicious circle – the more there is, the more victims decide to carry knives to feel 'safe' and the more it escalates. We simply cannot afford any complacency and we need to be better at preventing and tackling knife crime.

One way we are dealing with this is working in the schools and educating students and staff. We will be working alongside different agencies that are out in their community and can be accessible for them to answer questions or concerns.

This is supported by the school and we hope for it to be an informative day for all.

Yours sincerely

Kettering Town Neighbourhood Policing Team
