

Dear Parent/Carer

14/03/22

Year 9 Options Evening Wednesday 16th March from 5.00pm -7.00pm

You are invited to our Year 9 Options Evening on Wednesday 16th March from 5.00pm-7.00pm. You will have the opportunity to speak to staff from all the school departments about different subjects, their curriculum and how they are assessed. There will be a career's advisor present too. You will also receive the updated 2022 options booklet that contains detailed information about the process and subject curriculums. There will be a short presentation from Mr Roberts (Year 9 Progress Leader) and Mr Jordan (Assistant Vice-Principal) at 5.15pm. This will be repeated at 6.15pm. This presentation will explain the options process.

Our curriculum for Years 10 – 11 is designed to provide all students with every opportunity to achieve their full potential and to maximise the choices available at Sixth Form. Your child has already received detailed information about the Options Choices process through assemblies and form time and are receiving taster sessions for new subjects during their lessons. You will also soon be able to access information on the Montsaye website [Year 9 Options 2022 - Montsaye](#).

We encourage students to follow the English Baccalaureate (EBacc) route which will enable them to gain this qualification at the end of Year 11. This includes the study of French to GCSE, together with Geography or History. Further information will be given during Options Evening. We will be preselecting some students for French and Single Science. Please be on the look out for further communication regarding this via email.

Students will be required to rank 5 Options subjects on the Options Form which will be issued in the week commencing 14th March. The deadline for submission of these forms will be Friday 1st April.

It is important to stress that we cannot guarantee we will be able to offer all of the subjects listed and final choices will depend on the number of students opting for individual subjects, staffing and previous performance within that subject.

If you have any questions please do get in touch with me: jdroberts@montsaye.northants.sch.uk.

We look forward to speaking to you soon.

Yours faithfully

Jon Roberts

Year 9 Progress Leader
