

# December Updates

**Dear Parent/Carer,**

As the final term of 2022 comes to an end, we have some exciting updates to share with you all.

## Heads News

We are delighted to let you know that, following a further round of recruitment, we have now appointed a new permanent Head Teacher for Loatlands Primary School. Alison Willis, the current Head at Rushton Primary School, will take up the position after Easter 2023. In the meantime, Josie Heald will continue her fantastic work as Acting Head Teacher.

This, of course, means that Rushton will now be looking for Mrs Willis' successor after the Christmas break. As always, we will keep you updated on the progress of this recruitment.

Inspiring greatness

## CEO Transition

Our soon-to-be CEO, Emma Sims, has been getting to know us during the last term by working closely with the Central Team and visiting some of our Pathfinder Schools. We look forward to Emma taking up her post in January. Ann Davey will continue in an advisory capacity during the first term of 2023 whilst Emma gets to know Pathfinder Schools even better.

## Pathfinder Sports

As many of you know, our PE Group organises sports events across our Pathfinder Schools throughout the year. Our most recent event was a Futsal Tournament held in the Sports Hall at Montsaye Academy. Congratulations to Havelock Junior School who won the championship!

We want to thank you for your support throughout this term. We are so pleased to work as one Pathfinder Schools during this exciting period of change and growth.

Wishing you a Merry Christmas and a Happy New Year!

**Pathfinder Central Team**
