

## Montsaye Academy Peripatetic Music Provision 2023-24

Dear Parents/Carers,

Montsaye Academy currently offers a great range of peripatetic musical tuition and would like to offer your son/daughter the opportunity to continue/ join this programme. Places are limited, therefore allocation is operated on a first come, first served basis. Students who have previously studied an instrument at Montsaye Academy or at their primary school will be given priority onto the scheme, upon receipt of a signed contract and deposit payment.

You may still choose to pay for the entire year's tuition in advance and receive a discount, or send a £30 deposit per instrument lesson, with this form and complete the direct debit mandate enclosed. Direct Debits will start on 1<sup>st</sup> October 2023.

	Monthly D/D £30 deposit + 10 mthly payments	Per annum in advance
30 minute individual lesson	£73.90	£759.00
20 minute individual lesson	£48.62	£506.00
20 minute shared lesson	£23.31	£253.00
30 minute workshop (Music tech only)	£21.65	£228.00

Each student will receive a total of 33 lessons spread throughout the academic year and will receive a loan instrument from either the music service of the school where possible. All students are actively encouraged to regularly participate in at least one extra-curricular music group per week and is expected of those receiving fully subsidised or workshop lessons and those in receipt of a bursary.

The WORKSHOP style lesson, is a half an hour slot, with between 3 & 5 students participating. These lessons are subject to availability as the validity of each workshop relies on sufficient student numbers. The workshop option is only available for Music technology/Sequencing/DJ skills. Due to the teaching methods, it is not possible to teach shared or workshop lessons for piano. Therefore, we are only able to offer 20 or 30 minute individual lessons for piano tuition.

Students who currently receive **free school meals or are pupil premium** are invited to apply for a bursary to cover all or part of the cost of lessons. The deadline for bursary applications is 23rd June 2023. Students who do not fall into this category, but still require financial support, may apply for assistance directly with the music service. Grants typically cover up to 50% of lesson fees. Forms are available at [www.NMPAT.co.uk/Remissions](http://www.NMPAT.co.uk/Remissions).

All payments need to be directed to Montsaye Academy Finance Office. The preferred method of payment is direct debit. There will be 10 monthly direct debit payments, starting in October 2023. Please complete the attached direct debit mandate enclosed. **The Company shown on your bank**

**statement for the Direct Debit will be CLUBWISE.** There will be an additional charge if you cancel your direct debit without prior arrangement or if it is returned by the bank. Unfortunately, we can no longer accept termly or ad-hoc part payment. If you wish to pay by cash or cheque, this must now be yearly in advance.

Please take the time to read the Instrumental Contract - Terms and Conditions before completing and then return the signed contract with deposit **by Wednesday 28th June 2023** as we have to book the appropriate lesson time with the music service. Any forms that are not returned by the deadline will automatically be added to a waiting list.
