Dear Parents / Carers,

We are currently looking at options to offer some 2 night, 3 day residential multisport activity visits at the end of the summer term to students in Y7-10. We are likely to use either PGL and/or Kingswood as the providers and there are links below to their websites to give you an idea of what is available.

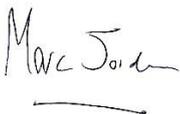

The proposed dates would be Monday 24th July – Wednesday 26th July, the approximate costing (to be confirmed) would be around £200.00 and this would include transportation, food, accommodation and all the activities at the centre. At the moment we are just trying to gauge interest from parents to enable us to plan the visits.

If your child is interested in going on the visit I would be grateful if you could complete the short form using the link below. You are not committing to anything at this stage as we will write to you again once we have firm plans in place.

I would be grateful if you could complete the form by Friday 17th March.

Your sincerely

Mr Jordan
