18 March 2020

Dear Parents / Carers,

As you know we are following the government's advice on Covid-19 so schools are currently remaining open, should things change we will update you. If the school does need to fully or partially close, then it is important that students are able to continue working from home. The most important thing you can do to support this process is to ensure that your child can access their school email address as this may be used by staff to communicate specific work for teaching groups.

We have access to a number of online learning tools, one of which (Sam Learning) I have outlined below as a number of our staff will be using it to set work if needed, so it is important the students register for it.

SAM Learning contains thousands of revision activities, across many KS3 and GCSE subjects - and is particularly good for quick review checks on learning.

To login, your child needs:

The website address: [www.samlearning.com](http://www.samlearning.com)

Our school centre ID: NN1MC

Their username: their date of birth followed by initials, in the format DDMMYYII

Their password: if they have not yet logged in, this is the same as their username.

For further information, please see this link to a short [YouTube clip](#).

Yours faithfully

Mr Jordan  
Assistant Vice Principal
