Monday 16th March 2020

Dear parents/carers and students

School closure procedure

In the event that the school is required to close we will notify you by text message, email, on the school website and via social media (twitter and facebook).

We will provide detail on the Go4Schools app and via email of work that students can complete at home. For parents we will use the email address on our system and students will receive messages in their school email inbox. As such, please make sure that we have the correct contact details for you and that emails are checked regularly. If you need to make us aware of an update to your contact details or if you need to reset or be reminded of the Go4Schools login procedure, please email data@montsaye.northants.sch.uk.

The tasks set for students will consist of a mixture of online learning and research projects and we also recommend that students read for at least 30 minutes every day.

As a school that is part of the Pathfinder Schools Trust we are following all coronavirus guidance that is sent out from the Department for Education and Public Health England. We will update you regularly with all information that we receive.

Yours sincerely

Mrs Gabbi
Principal
