

31 March 2025

Dear Year 8 Parents,

We are delighted to inform you that we have been invited by the University of Northampton to take 50 Year 8 students to their STEAM event. This is a fantastic opportunity for students to experience a day on campus and engage in a variety of exciting STEM-related activities. The event is an annual occasion where many local primary and secondary schools participate, and we are thrilled to offer our students the chance to be part of it.

The trip will take place on **Wednesday 11th June**, during school hours. As we have only been allocated fifty spaces, we kindly ask that you complete the form linked below if you would like your child to participate. Please ensure that the form is submitted by **Friday 4th April** at the latest.

<https://forms.office.com/e/xmTDJi6AvL>

When selecting students for this opportunity, we will take several factors into consideration, including behaviour and attendance. We want to ensure that students who attend are ready to represent the school positively and make the most of this valuable experience.

Thank you for your support, and we look forward to the possibility of your child joining us for this exciting event.

Yours faithfully,

Mrs Knight & Mrs Edney  
Careers Lead / Progress Leader
