

15th September 2022

Dear Parents/Carers,

Firstly, I would like to share with you how proud I am of Year 11 upon their return to the Academy. Students are prepared for learning, engaging with lessons and motivated to achieve.

To support students further we are launching our comprehensive after school intervention programme from Monday 19th September.

Every week there will be up to four sessions for each student to attend, with each week alternating between core and option subjects. All sessions will run from 3-4pm, and will take place at the Academy within the relevant department areas. Students should make their own way home when the sessions are finished.

With regards to the after school intervention there will be a rewards system in place. In addition to ERA points for attendance and participation, students will be given an ERA study loyalty card. Completed ERA study loyalty cards should be brought to the KS4 office to be entered into a weekly raffle.

Please find the timetable below, this will also be shared with students with reminders during form time. Revision will begin with 'Core Week' next week; 19th September 2022.
