

24 September 2021

Dear Parent/Carer,

Firstly, we would like to congratulate Year 11 on a fantastic start to the year and first round of trial examinations. We are really impressed with how maturely they have approached the assessments, continuing to show our ERA values of excellence, resilience and aspiration. Those working from home, we are really impressed with the resilience you have demonstrated and the engagement with online learning when well enough to do so.

We are very proud of Year 11; their work and commitment to their GCSE studies has not gone unnoticed. In this letter we will outline information about the changes to the intervention programme on offer this half term.
