Dear Parent/Guardian

**Year 11 Saturday Revision Classes starting 26<sup>th</sup> February 2022**

I am delighted to be able to write to you with details of Saturday revision classes at Montsaye starting on Saturday 26<sup>th</sup> February. Our teachers will be delivering key exam content in core GCSE subjects (English, Maths and Science). These classes have been arranged in light of the disruption to learning over the last year due to the Covid-19 pandemic and the reintroduction of examinations for year 11 that will take place in the summer. Attendance to these sessions can support your son/daughter's performance in the forthcoming GCSE exams and I hope that they will close any gaps that they may have in their knowledge, therefore, it is essential that they attend.

The details of revision classes will be published on a half termly basis and shown below is what we are offering to all Year 11 students on Saturdays over the coming weeks. All sessions will take place in the sixth form area. Uniform is not necessary.

High standards of behaviour are expected so that we can maximise learning time.
