

Dear Parents/Carers,

As we come to the end of the final week before May half term, and with students having completed the first two weeks of exams, we are incredibly proud of their positive attitude towards revision and the exam season. There are some final key messages that are relevant to Year 11's final few weeks after half term below.

Study Leave

After half term all Year 11 students will be on full study leave. This means that they are only required to come in for their exams, according to their individual exam timetable. Students should use the revision books, in addition to revision resources shared by their class teachers. Should students require any additional resources or support they should email their class teacher.

Exam Reminders:

- Students should continue to wear full school uniform for all exams
- Students should continue to bring the correct equipment for all exams (including calculators)
- Students should continue to follow the JCQ regulations
- Students must be on time for all exams

For morning exams (9am)

- Students should attend morning revision sessions in the library, as outlined in the weekly plans shared with students and on social media.
- Students should report to the restaurant for 8.30am to claim their free breakfast after revision
- Students should register with their form tutor by 8.40am before being directed to the bag room

For afternoon exams (1pm)

- Students should attend period 3 revision (11.30am-12.30pm) and sign in at the session
- Students should attend lunch in the restaurant if they have been to the revision session
- Students should be in the restaurant by 12.45pm ready to be directed to the bag room

Afterschool Revision (3.15-4.15pm)

- Afterschool revision will still run in line with the weekly exam plans that are shared with students via email and on social media.
- From Monday 5th June ALL sessions will take place on Teams, invites will be sent by teachers.

After all exams students **MUST** sign out at student reception before they leave school site.

Please note that students will be required to make their own travel arrangements home, school transport times will not be altered in relation to exams.

If you do not wish for your child to be on study leave, please email Mrs Quinn by Friday 2nd June and we can look at a bespoke timetable of both subject teacher support and independent learning.
