

18 July 2021

Dear Parent/Guardian

Following an increase in the number of students testing positive for COVID-19, we have made the decision to move to remote education for Year 10 students from Monday 19 July 2021. Pupils should join online lessons from 10am onwards.

We appreciate this is very distressing, but in line with advice from Public Health England we want to stop the spread in Year 10. All close contacts have been notified and are self-isolating.

We ask that students please continue to take lateral flow tests twice a week and notify the school of any positive result via Montsaye's [LFT result form](#) and by email to covidreporting@montsaye.northants.sch.uk as well as <https://www.gov.uk/report-covid19-result>.

Miss Malins will send out a Teams invite for the assembly tomorrow morning.

Thank you for your support and cooperation at this time.

Yours faithfully

Mrs Gabbi
Principal
