

Dear Parent/Carer

At Montsaye Academy we use an online system called Go 4 Schools which allows parents to access assessment, attendance and behaviour information as well as your child's timetable, homework and progress reports. You have everything you need in one place and, crucially, what you see is the latest information available within the school.

Using the GO 4 Schools App will enable you to view on your smartphone or tablet the following information about your child:

Timetable	<ul style="list-style-type: none"> • Summary of current lesson and the next lesson • More detailed information on your child's daily timetable including timings and teachers
Homework	<ul style="list-style-type: none"> • New tasks set • Tasks due today • Tasks due tomorrow • Tasks due within 7 days • Extended pieces of homework set • Detailed homework explanations • Website addresses required to complete the homework • Downloadable, attached documents
Session Attendance	<ul style="list-style-type: none"> • Counts of possible sessions and overall percentage attendance • Authorised and unauthorised absences • Late marks
Behaviour	<ul style="list-style-type: none"> • Overview of positive and negative behaviour events and points • Details of each behaviour event including subject, points and date
Attainment	<ul style="list-style-type: none"> • Overview of the subject progress and target grades • View residual progress and colouring • Individual subject detail including grades, behaviour and homework

The GO 4 Schools App will also send to your smartphone and/or email address summary notifications/emails on:

- The homework set in the last 24 hours as well as homework due in the next 7 days so that you are fully informed on the homework that your child must complete.
- Detentions that have been set for your child to attend.
- Updates of behaviour events.

To receive information on your child via the App, it is essential that we have your current email address. In order for you to access this important information about your child, the email address that we hold on the system needs to be correct. If you wish to update your email address details please contact us at data@montsaye.northants.sch.uk or alternatively phone on 01536 418844 ext. 144 or 166.

Once you have registered for the website you will then be able to download the App on to a smartphone or tablet. To login to the GO 4 Schools App, your username (email address) and password are the same as those you use for the GO 4 Schools website. There is a simple link to follow if you have forgotten your password.

The App is a great way to keep in touch with how your child is doing at school. Don't forget however, you can also login to the main GO 4 Schools website for more detailed information.

Please note: the first point of contact for any queries regarding the information on the GO 4 Schools App or anything else that you may wish to discuss, is your child's form tutor.
