Dear Parent/Carer

As we look towards preparing for September I wanted to follow up on a previous communication regarding compulsory footwear for PE from September. As your child will be in Key Stage 3, they will need to have the required boots as part of the compulsory PE uniform. When a students' PE teacher requests that they need to bring in their moulded football boots, there will be the expectations that students have these with them so the lesson can go ahead as planned. As previously detailed, the only footwear permitted on the astro are: moulded studded footwear. The following is not permitted: metal studs, astroturf trainers, trainers, school shoes. Below are links to examples of boots which would be suitable.

Buy Umbro Mens Attaccante FG Firm Ground Football Boots Black/White

Buy Puma Ultra 5 Play FG/AG Firm Ground Football Boots Lapis Lazui/Puma White/Sunset

Buy Puma Mens Attacanto FG/AG Firm/Artificial Ground Football Boots Electric Lime/Puma Black

Kind regards

Mr Wing

Head of PE
