Class Descriptions

AMRAP30 – 30-minute, high intensity class that incorporates CV, core, bodyweight & strength exercises. A good all over workout in a short blast!

Spin Cycle - A great way to keep fit, burn fat and improve your cardiovascular fitness. Suitable for all levels as you control the resistance

Retrobics - Old skool aerobics with old skool tunes! Keeping the fun in fitness – leg warmers at the ready!

Boxercise® – Based on the training concepts boxers use to keep fit, this class uses a variety of formats and provides a fun, challenging and safe workout.

Yoga-Pilates – A combination of Yoga and Pilates, this class aims to balance mental and physical state to improve general well-being.

Ab Blaster - 30-minute burst to improve your core strength and work those abs!

Kettlercise® - Kettlercise® exercises ranging from basic moves to more advanced techniques. High-energy pulse raisers targeting muscle groups like abs, glutes, arms and thighs, with maximum effectiveness.

Aqua Aerobics – A great all-over workout in the water. The water supports the body, putting less stress on the joints and muscles. Lots of fun for all!

Kettlercise® Combat MX - ‘What do you get when you mix two of the best fat burning classes in the world...?’

Pump It! – An all over workout using weights and barbells to tone and condition the whole body.

Metafit® – The original 30 minute metabolic workout that just keeps working!

Fitness Yoga – a combination of different types of Yoga. A faster pace than traditional Yoga.

Studio Cycling – A 30-minute class that aims to simulate cycle rides on the open roads. Using hill training and speed intervals, this class burns calories fast and help to build stamina and endurance. A great workout and suitable for all levels of fitness.

Core de Force® - This MMA-inspired total body workout uses core conditioning combinations, bodyweight moves and cardio spikes to harness the power of your core and have you feeling like a total badass!

Legs, Bums & Tums – It does what it says on the tin! Working on those favourite “problem” areas.

Strength & Conditioning – This total body workout combines all aspects of fitness – from resistance and weight bearing exercises to aerobic intervals. This is the ultimate class to improve physical performance.

Pilates is a system of physical and mental conditioning that can enhance your physical strength, flexibility, and co-ordination as well as reduce stress, improve mental focus, and foster an improved sense of well-being

HIIT the Gym – A 20 minute HIIT session. Each session is different. A good intro to the gym.
