Pathfinder Schools Complaints Policy

Pathfinder Schools is dedicated to providing the best possible education and support for all pupils within its schools. This means having a clear, fair and efficient procedure for dealing with any complaints to or against our schools, so that any issues that arise can be dealt with as swiftly and effectively as possible.

The Trustees of Pathfinder Schools have approved and adopted this policy to allow parents/carers of pupils attending academy schools within the Trust to raise a concern or complaint. We will also usually follow this procedure when dealing with complaints from others but reserve the right to substitute this procedure for an alternative process where it is appropriate to do so.

This procedure does not apply to concerns and complaints relating to the following, which are dealt with under separate policies:

- exclusions;
- admissions;
- appeals relating to internal assessment decisions for external qualifications;
- complaints about statements of SEN/EHC Plans;
- grievances or disciplinary issues relating to members of staff; or
- issues related to safeguarding and child protection (please see Part 6 of this policy);
- National Curriculum content;
- School re-organisation proposals eg opening or closing a school or amalgamating two schools;
- Complaints about services provided by other providers who may use school premises or facilities

Please see [Appendix 1](#) for further information.

The aims of the procedure are:

- to deal with any complaint against an academy or any individual connected with it by following the correct procedure;
- to deal with all complaints thoroughly and by being open, honest and fair when dealing with the complainant.

All staff will be made aware of this complaints procedure and are expected to review this policy regularly in order that they are familiar with our process of dealing with complaints and can be of assistance when an issue is brought to their attention.

Part 1 of this procedure outlines how parental or pupil complaints will be dealt with by the Trust in accordance with the requirements of The Education (Independent School Standards) (England) Regulations 2014, as amended. Concerns or complaints from persons other than parents/carers or pupils should be dealt with in accordance with Part 2.

Understanding this Policy

In order to investigate your complaint as fully as possible, we have implemented a staged approach. We anticipate that almost all complaints that arise will be resolved at Stage 1 or Stage 2.

We expect our members of staff to be addressed in a respectful manner and for communication to remain calm, respectful and professional at all times.

The procedure under Part 4 will only be used on very rare occasions to deal with unreasonably persistent complainants or unreasonable complainant behaviour.

To enable a proper investigation, concerns or complaints should be brought to the attention of the school as soon as possible. In general, any matter raised more than 3 months after the event being complained of will not be considered.

An anonymous concern or complaint will not be investigated under this procedure unless there are exceptional circumstances.

If it becomes necessary to alter the time limits and deadlines set out within this procedure, you will be advised accordingly and given an explanation as to why this has been the case and provided with revised timescales. If other bodies are investigating aspects of the complaint, for example the police, local authority safeguarding teams or tribunals/courts, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

In this procedure:

- 'school days' excludes weekends and academy holidays;
- 'parent' means a parent, carer or anyone with legal responsibility for a child.

At each stage of the procedure our aim is to resolve the concern / complaint. If appropriate we will acknowledge that the complaint is upheld fully or partially. In addition, we may offer one of more of the following;

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

If a complainant wants to withdraw their complaint, the Trust or Academy will request that this is put in writing.

PART 1: Complaints Procedure

Stage 1: Informal concerns

- 1.1 We anticipate that the majority of enquiries and concerns can be dealt with satisfactorily by the class teacher or other members of staff without the need to resort to the formal procedure. We value informal meetings and discussions and encourage parents to approach staff with any concerns they may have and aim to resolve all issues with open dialogue and mutual understanding.
- 1.2 It is always helpful if you can fully explain the nature of the concern and how you think it can be resolved. You may be invited to an informal meeting with the member of staff most appropriate for dealing with that concern. The member of staff dealing with the concern will make sure that you are clear on what action (if any) has been agreed. This may be put in writing if appropriate.
- 1.3 If the matter is brought to the attention of the Headteacher s/he may decide to deal with your concerns directly at this stage or refer you to the most appropriate member of staff. If the concerns are about the Headteacher these should be referred directly to the Chair of Governors via the school office. Parents should not approach governors about concerns as this may interfere with the complaints process.
- 1.4 There is no suggested timescale for resolution at this stage given the importance of dialogue through informal discussion, although it would be expected that most issues will be resolved within 15 school days. Where no satisfactory solution has been found, you will be advised that if you wish your concerns to be considered further you should write to the Headteacher under Stage 2 within 15 school days.

Stage 2: Formal Written Complaints

- 2.1 If you do not feel your concerns have been resolved under Stage 1 you should put your complaint in writing and send this to the Headteacher of the relevant school, which in the vast majority of cases will be the academy school your child attends.
- 2.2 Your written complaint should include details which might assist the investigation, such as the nature of the complaint, details of how the matter has been dealt with so far, the names of potential witnesses, dates and times of events and copies of all relevant documents. It is very important that you include a clear statement of the actions that you would like the school to take to resolve your complaint. You should use the Complaint Form provided in Appendix 2. If you require help in completing the form, please contact the school office. You can also ask third party organisations like the Citizens Advice Bureau to help you.
- 2.3 Your complaint will normally be acknowledged in writing within 5 school days of receipt. The acknowledgement will give a brief explanation of the Trust's complaints procedure and a target date for providing a response to the complaint. This will normally be within 15 school days of receipt.
- 2.4 The Headteacher (or someone appointed by them) **will normally invite** you to a meeting to clarify your complaint and to explore possible resolutions. If you accept that invitation, you may be accompanied by one other person, such as a friend,

relative or interpreter, to assist you. Where possible, this meeting will take place within 10 school days of receipt of the written complaint.

- 2.5 If necessary, witnesses will be interviewed and statements taken from those involved. If the complaint centres on a pupil, the pupil may also be interviewed. Depending on the age of the pupil, they may be interviewed with their parent present, but if this would seriously delay the investigation of a serious or urgent complaint or if the pupil has specifically said that s/he would prefer that their parents were not involved, another member of staff with whom the pupil feels comfortable could be present. If a member of staff is complained against, they must have the opportunity to present their case.
- 2.6 Once all the relevant facts have been established as far as possible, you will be provided with a written response to the complaint, including a full explanation of the decision and the reasons for it. This will include what action the school will take to resolve the complaint (if any). You will be advised that if you are dissatisfied with the outcome of the complaint, you may request that your complaint be referred to the Complaints Committee.
- 2.7 If in the early stages of the investigation, the Headteacher considers that the complaint is best dealt with immediately at Stage 3, it will be passed to the Clerk to the Trustees and you will be informed of this action without delay.

What if the complaint is about the Headteacher or the Headteacher has already considered your complaint at Stage 1?

If the complaint is about the Headteacher, or if the Headteacher has been closely involved at Stage 1, your complaint should be sent to the Clerk of the School Governing Body who will arrange for a Governor to carry out all of the Stage 2 procedures.

What if the complaint is about a member of the Local Governing Body?

You should contact the Chair of Governors at the school, who will arrange for another Governor to investigate the complaint in accordance with Stage 2.

If the complaint is about the local governing body as a whole, you should send your complaint to the Clerk to the Trustees, c/o Pathfinder Schools, Greening Road, Rothwell, Northamptonshire, NN14 6BB or via email to clerk@pfschools.org.uk

What if your complaint is about a member of the Central Team?

If the complaint is about a member of the Central Team your complaint should be sent to the Clerk to the Trustees, c/o Pathfinder Schools, Greening Road, Rothwell, Northamptonshire, NN14 6BB or via email to clerk@pfschools.org.uk, who will arrange for a suitable member of staff to carry out all of the Stage 2 procedures.

What if the complaint is about the Chief Executive Officer?

If the complaint is about the Chief Executive Officer of the Trust, your complaint should be sent to the Clerk to the Trustees, c/o Pathfinder Schools, Greening Road, Rothwell, Northamptonshire, NN14 6BB or via email to clerk@pfschools.org.uk, who will arrange for a Trustee to carry out all of the Stage 2 procedures.

What if the complaint is about a Trustee?

If the complaint is about a Trustee, you should contact the Clerk to the Trustees, c/o Pathfinder Schools, Greening Road, Rothwell, Northamptonshire, NN14 6BB or via email to clerk@pfschools.org.uk

If the complaint is about the Clerk of Trustees, your complaint should be sent to the Chair of Trustees, c/o Pathfinder Schools, Greening Road, Rothwell, Northamptonshire, NN14 6BB or via email to chair@pfschools.org.uk

If your complaint is about the Board of Trustees as a whole, you should send your complaint to the Clerk to the Trustees who will arrange for the matter to be independently investigated.

Stage 3: Referral to the Complaints Committee

- 3.1 If you are dissatisfied with the decision under Stage 2 you may request that a Trust Complaints Committee be convened to consider your complaint. The committee will not review any new complaints at this stage or consider evidence unrelated to the initial complaint. New complaints must be dealt with under Stage 1 of the procedure.
- 3.2 To request a hearing before the Trust Complaints Committee, you should write to the Clerk to the Trustees at the Trust offices: Pathfinder Schools, Greening Road, Rothwell, Northamptonshire, NN14 6BB or via email to clerk@pfschools.org.uk within 15 school days of receiving notice of the outcome of Stage 2. Requests received outside of this time frame will only be considered if exceptional circumstances apply. You should ensure that you provide copies of all relevant documents and state the reasons why you are dissatisfied with the outcome at Stage 2, along with an outline of the outcome that you are looking for.
- 3.3 Your request will be acknowledged within 5 school days of receipt.
- 3.4 The Clerk to the Trustees will arrange for a Trust Complaints Committee to be convened, made up of at least three members, with at least one independent member. This can include:
 - senior staff from schools across the Trust or from within the Central Team, who have had no prior involvement in the matter (these members are categorised as independent)
 - at least one Trustee with no prior involvement in the matter
 - Governors from across Trust schools
- 3.5 The Clerk shall appoint one of these members to be the Chair of the Committee.
- 3.6 The Clerk to the Trustees will appoint a Clerk to the Complaints Committee. This will usually be the Clerk to the Local Governing Body, however may be a Clerk to a different LGB or themselves.
- 3.7 Every effort will be made to enable the hearing to take place within 20 school days of the receipt of your request. As soon as reasonably practicable and in any event at least 5 school days before the hearing, you will be sent written notification of the date, time and place of the hearing, together with brief details of the committee members who will be present. Fair consideration will be given to any bona fide objection to a

particular member of the committee. You will also be informed of the name of the person who will be presenting the case on behalf of the Trust (referred to in this policy as the Trust representative). This may be the person who is the subject of the complaint, the person who undertook the investigation at Stage 2 or another person with sufficient knowledge of the matter.

- 3.8 If, despite best efforts, it is not possible to find a mutually convenient date and time for a hearing within 20 school days of receipt of the complaint, the Clerk to the Complaints Committee may determine that the hearing proceeds on the basis of written submissions from both parties.
- 3.9 The notification will also inform you of your right to be accompanied to the meeting by a friend, relative or interpreter and explain how the meeting will be conducted. You should notify the Clerk to the Complaints Committee in advance if you intend to bring anyone to the hearing.
- 3.10 A copy of the complaint and any other documents provided by you in support of your complaint or by the Trust representative in defence of the complaint, will be provided to the Complaints Committee as soon as practicable upon receipt, and no less than 5 days before the Panel Hearing. Copies of these documents shall also be provided to you and the Trust representative (as applicable) at least 5 school days before the hearing. If any additional documents are being presented at this stage, they must be received by the Clerk to the Complaints Committee at least 7 days prior to the hearing so that they can be sent out with the full set of papers. The Clerk reserves the right not to consider any documentation presented by either party less than 7 school days prior to the hearing. The Complaints Committee is under no obligation to hear oral evidence from witnesses but may do so and/or may take written statements into account. The Committee will not normally accept recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.
- 3.11 The hearing will be conducted in such a way as to ensure that each party has the opportunity to address the Complaints Committee. The procedure to be followed during the hearing will be set out to the parties by letter in advance of the hearing. The Clerk to the Complaints Committee will ensure that sufficient notes are taken to record an accurate reflection of the points considered and any decisions taken or actions agreed. Electronic recordings of the hearing will not normally be permitted and, in any event, would require the consent of all those present.
- 3.12 Unless otherwise stated, the procedure for a Stage 3 complaint is as follows:
- the parent and Trust representative will enter the hearing together;
 - the Chair of the Committee will introduce the committee members and outline the process;
 - the parent will explain the complaint;
 - the Trust representative and committee members will question the parent;
 - the Trust representative will explain the academy's actions;
 - the parent and the committee members will question the Trust representative;
 - the parent will sum up their complaint;
 - the Trust representative will sum up the Trust's actions;

- the Chair of the Committee will explain that both parties will hear from the committee within 5 school days;
- both parties will leave together while the Committee decides;
- the Clerk to the Complaints Committee will stay to assist the committee with its decision making.

The Clerk and / or Complaints Committee reserves the right to modify the above procedure at their sole discretion, for example requiring the parent and the Trust representative to present their complaint/actions separately to the Committee in the absence of the other party.

- 3.13 After the hearing, the Complaints Committee will consider their decision and inform you, the Trust representative and, where relevant, the person complained about, their decision in writing within 5 school days. The letter will set out the decision of the Committee together with the reasons underpinning that decision. The Committee can (by a majority if necessary):
- dismiss the complaint in whole or in part;
 - uphold the complaint in whole or in part;
 - decide on the appropriate action to be taken to resolve the complaint;
 - recommend changes to the academy's or Trust systems or procedures to ensure that problems of a similar nature do not happen again.
- 3.14 The aim of the Committee hearing will be to resolve the complaint and achieve reconciliation between the Academy / Trust and the complainant. However, it must be recognised that the complainant might not be satisfied with the outcome if the panel does not find in their favour. It may only be possible to establish the facts and make recommendations which will satisfy the complainant that his or her complaint has been taken seriously.

Referral of complaint to the Education and Skills Funding Agency (ESFA)

If you are dissatisfied with the decision of the Trust Complaints Committee, you are entitled to refer your complaint to the Education and Skills Funding Agency (ESFA). The ESFA cannot change a Trust's decision about a complaint but can investigate whether the complaint was handled properly and in accordance with education legislation and any statutory policies connected with the complaint.

At the time of writing this procedure, the ESFA procedure and the ESFA academy complaints form are available at: <https://www.gov.uk/government/organisations/education-and-skills-funding-agency/about/complaints-procedure>

Records of complaints

A written record will be kept of all complaints, including at what stage they were resolved and action taken by the Trust as a result of those complaints regardless of whether they were upheld. Correspondence, statements and records relating to individual complaints will be kept confidential except where access is requested by the Secretary of State or where disclosure is required in the course of a school inspection or under other legal authority. The findings and recommendations of the panel will be made available for inspection by the Trust and the Headteacher.

Communication

Papers for the meetings and panel findings will be communicated in the preferred method for the complainant, this could be electronically or paper based. (Please refer to Appendix 5 for guidance on documents for panel hearings).

Process

The correct stages must be followed, and a complaint will be referred to the appropriate stage as necessary. If a complainant takes the complaint to Ofsted / ESFA before the previous stages have been completed, they may relinquish their right to this process.

Behaviour Expectations

We expect our members of staff to be addressed in a respectful manner and for communication to remain calm, respectful and professional at all times. We retain the right to ask a complainant to leave a meeting if staff feel intimidated or threatened at any time. This applies to both meetings held in person or virtually. Further details on behaviour expectations are set out in Part 4.

PART 2: Concerns or Complaints from persons other than parents/carers of current registered pupils

Part 1 of this Complaints Policy applies solely to complaints made by parents or carers of current registered pupils of schools within the Trust. The Trust wishes to work closely with other members of the local community and will deal with concerns and complaints as follows:

1. A concern regarding the school and/or its operations may be made to any member of staff. That member of staff will attempt to resolve the matter immediately or may, if appropriate, refer the matter to their line manager or member of the Senior Leadership Team (SLT) who is best placed to deal with the concern. It is expected that most concerns will be responded to orally or in writing within 5 school days. If a longer period is required, you will be kept informed of the progress of the investigation.
2. If your concern is not resolved at stage 1 you should put your complaint in writing, using the form at Appendix 2, and send this to the Headteacher of the relevant school to investigate. The Headteacher may delegate the task of investigation and/or responding to the complaint to a member of the Senior Leadership Team or may escalate the complaint straight to stage 3. A formal response to the complaint will usually be provided within 15 school days of receipt of the letter of complaint although if a longer period is required to respond, you will be kept updated.
3. If you are not satisfied with the response at stage 2, you may request a review by writing to the Clerk to the Trustees. You should write to the Clerk within 15 school days of receipt of the letter at stage 2. Requests received outside this timeframe will only be considered if exceptional circumstances apply. The Clerk will arrange for a Governor to consider the complaint alone or may convene a Complaints Committee on the same terms as set out in Part 1 of this policy. The decision at this stage will usually be sent to you within 20 school days of receipt of the request for a review. The decision at stage 3 exhausts the Trust's complaints procedure.

Concerns or complaints regarding the Headteacher or the Trust as a whole should be referred directly to the Clerk to the Trustees, c/o Pathfinder Schools, Greening Road, Rothwell, Northamptonshire, NN14 6BB or via email to clerk@pfchools.org.uk, who will arrange for the stages above to be considered by an appropriate person.

PART 3: Duplicate complaints

If the school receives a new complaint from someone else about the same issue, ie spouse, partner, grandparent or child, it will be deemed a duplicate complaint. The school will write to the new complainant stating that the complaint has already been considered and the local process is complete. If you are dissatisfied with the school's handling of the original complaint the ESFA can be contacted on the details highlighted on page 7 of this procedure.

If there are new aspects to the complaint which had not been previously considered, these will be dealt with according to the complaints procedure.

PART 4: Unreasonably persistent complainants and unreasonable complainant behaviour

There are rare circumstances where we will deviate from the Complaints Procedure set out in Part 1. These include, but are not necessarily limited to:

- Where the complainant's behaviour or language towards staff, members of the local governing body or Trustees is unacceptable, for example, is abusive, offensive, discriminatory or threatening;
- Where the complainant's behaviour is hindering the consideration of their or other people's complaints and/or the proper running of the Trust because of the frequency or nature of the complainant's contact, such as if the complainant:
 - Refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
 - Refuses to co-operate with the complaints investigation process
 - Refuses to accept that certain issues are not within the scope of the complaints procedure
 - Insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
 - Introduces trivial or irrelevant information which they expect to be taken into account and commented upon
 - Raises large numbers of detailed but unimportant questions and insists they are fully answered, often immediately and to their own timescales
 - Makes unjustified complaints about staff who are trying to deal with the issues and seeks to have them replaced
 - Changes the basis of the complaint as the investigation proceeds
 - Seeks an unrealistic outcome, such as the inappropriate dismissal of staff
 - Makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
 - Knowingly provides falsified information
 - Publishes unacceptable information on social media or other public forums
- where the complainant's complaint is clearly frivolous, vexatious and/or has patently insufficient grounds. The Office of the Independent Adjudicator defines the characteristics of a 'frivolous' or 'vexatious' complaint as:
 - Complaints which are obsessive, persistent, harassing, prolific, repetitious
 - Insistence upon pursuing unmeritorious complaints and/or unrealistic outcomes beyond all reason
 - Insistence upon pursuing meritorious complaints in an unreasonable manner
 - Complaints which are designed to cause disruption or annoyance
 - Demands for redress that lack any serious purpose or value
- where the complainant's complaint is the same, similar to or based on the same facts of a complaint which has already been considered in full.

In these circumstances, we may:

- inform the complainant that their behaviour is unacceptable or unreasonably persistent and ask them to change it;
- restrict the complainant's access to the school e.g. requesting contact in a particular form (for example, letters only), requiring contact to take place with a named person

only, restricting telephone calls to specified days and times or banning the complainant from the school premises. This will be reviewed after six months;

- conduct the Complaints Committee on the papers only i.e. not hold a hearing;
- refuse to consider the complaint

In all cases we will write to tell the complainant why we believe his or her behaviour is unacceptable or unreasonably persistent, what action we are taking and the duration of that action.

We may take the decision not to respond to any further correspondence where:

- We have taken every reasonable step to address the complainant's concerns
- The complainant has been given a clear statement of our position and their options and
- The complainant contacts us repeatedly, making substantially the same points each time

The case for ceasing further correspondence is stronger where:

- Letters, emails or telephone calls are often or always abusive or aggressive or make insulting personal comments about or threats towards staff
- We have reason to believe the complainant is contacting us with the intention of causing disruption or inconvenience.

Where the behaviour is so extreme that it threatens the immediate safety and welfare of staff, members of the local governing body or Trustees, we will consider other options, for example reporting the matter to the police or taking legal action. In such cases, we may not give the complainant prior warning of that action.

PART 5: Complaint Campaigns

For the purposes of this policy, a complaint campaign is defined as a complaint from three or more separate individuals (whether or not connected with a school of the Trust) which are all based on the same subject.

Depending on the subject in question, we may deviate from the procedure set out in this policy and instead:

- Send a template response to all complainants and/or
- Publish a single response on the school or Trust's website (as applicable)

PART 6: Safeguarding Concerns

A safeguarding concern about an adult engaged by the academy is not part of this policy, Any safeguarding concern that arises will be investigated under the Safeguarding and Child Protection Policy, Disciplinary Policy and the Staff Code of Conduct. The outcome of any concern under these policies cannot be shared with parents or carers due to their confidential nature.

The Complaints Policy can be used to make a complaint about process, timescales or other aspects of concern that are outside the Safeguarding remit.

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- respect the confidentiality of all parties at all times, ensuring that details of the complaint are not posted on social media platforms.

Investigator (Stage 2)

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the head teacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.
- The Headteacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the

appropriate escalation details.

Complaints Co-ordinator

(this could be the head teacher or CEO / designated complaints governor or Trustee or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, head teacher, CEO, Chair of Governors, Chair of Trust or the Clerk to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

Clerk to the Local Academy Board / Trust Board

The Clerk is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting
- collate any written material relevant to the complaint (for example: stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale
- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision.

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This

is particularly important if the complainant is a child/young person

- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Clerk (and complaints co-ordinator, if the school has one).

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so

No governor / Trustee may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if

any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.

Appendix 5 – Guidance on documents for panel meetings

Packs for panel members, complainants and school representatives should:

- be clear about the nature of the complaint
- have an index of contents (these may vary slightly for the complainant, as some confidential information may not be appropriate – advice to be sought as necessary)
- be in chronological order and page numbered
- include all relevant correspondence and papers from previous stages of the complaint with the investigation outcomes clear
- contain all relevant policies in use at the time of the hearing – not just excerpts or rely on using what's available online, in case policies have been amended for any reason during the process.
- have all the documentation from previous stages to include the following information:
 - the stage of the investigation the document supports
 - to whom it is to and from, or who carried out the investigation
 - dated and signed
- include all correspondence from the complainant relevant to each stage, as the final stage is not a rehearing
