

## OAK ACADEMY HOME LEARNING SUPPORT

You currently need to do your learning from home. There are a range of resources ready for you to use on the topics you have been studying in your Art lessons. The tables below contain links to the relevant topics.

- Work out which term we are in by checking the date.
- Click on the link and this will take you to the relevant topic.
- From there, find the last lesson you did in school and start work on the next lesson. You then work through all lessons unless specific lessons are indicated.
- You can also use the previous resources to recap key words, facts and concepts from previous lessons.

**Lessons usually include a slides explaining the main ideas and then you need to follow instructions to complete some written work.**

**Remember, if you need extra support you can... search online, email your teacher, check another source such as BBC bitesize, message a friend.**
