

## OAK NATIONAL ACADEMY HOME LEARNING SUPPORT

You currently need to do your learning from home. There are a range of resources ready for you to use on the topics you have been studying in your English lessons. The tables below contain links to the relevant topics on the Oak National Academy website. [www.thenational.academy](http://www.thenational.academy)

- Work out which term we are in by checking the date.
- Click on the link and this will take you to the relevant topic.
- From there, find the last lesson you did in school and start work on the next lesson. You then work through all lessons unless specific lessons are indicated.
- You can also use the previous resources to recap key words, facts and concepts from previous lessons.

**Lessons usually include a video explaining the main ideas and then you need to follow instructions to complete some written work.**

**Remember, if you need extra support you can... rewatch the video, email your teacher, check another source such as BBC bitesize, message a friend.**
