

## Year 11: Exam and Future Ready

### Recap and Revise

Using knowledge gained in Year 10, you will review the essential information from each text and develop revision skills for the year ahead.

AO's assessed:

- Lit AO's 1-3
- Lang AO's 1-6

Assessment through:

Regular extended writing opportunities, skill checks, termly written assessments, core mock exams, retrieval practice and aspiration lessons from examiner reports.

### Embed and Deepen

From the knowledge you have reviewed, you will work to ensure that all of your knowledge and exam routines are embedded so that deeper knowledge and aspirational grades can be pursued.

AO's assessed:

- Lit AO's 1-3
- Lang AO's 1-6

Assessment through:

Regular extended writing opportunities, skill checks, termly written assessments, mock exams, retrieval practice and aspiration lessons.

### Practice and Assess

As the exams fast approach, you will keep practicing your exam skills. You will continually be given opportunities to self-assess and reflect on your areas of need and be guided to develop them into strengths.

AO's assessed:

- Lit AO's 1-3
- Lang AO's 1-6

Assessment through:

Regular extended writing opportunities, skill checks, termly written assessments, mock exams, retrieval practice and aspiration lessons.
