Clarification on our high expectations

We are exceptionally proud of how smart our students look and their fantastic start to the new academic year. We would like to clarify the following uniform expectations which apply to all students:

- One piercing in each ear, studs only. No other piercings are permitted.
- No artificial nails.
- No hoodies (they will be confiscated if seen in the building).
- Trainers are not permitted unless there is a medical reason.
- Mobile phones and earphones are not to be used at all between 8.40am and 3.00pm.

Well done to our students who have been awarded over 7,500 ERA points in the first couple of weeks of the new academic year. We are striving to hit a magical 100,000 points this year; keep up the good work.
