Year 7—Hundertwasser

Friedensreich
Hundertwasser

Austrian artists,
designer, architect, poet
and environmentalist.

Born 15 December 1928
- Died 19 February 2000

Sgraffito technique — scratching through a dark layer to reveal a bright colour.

Collage — Applying different materials to a picture, creating a range of textures.

Water colours— Paint used with lots of water, easy to blend and mix colours.

Blending colours

Here we can see a line between the colours.

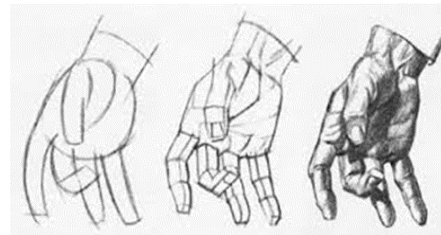

These colours have been blended smoothly.

Colours change smoothly without lines dividing them.

Refine with black outlines

Black lines are used to define and add detail to areas in a painting and drawing.
