Dear student,

We are very sorry to hear that you have had to self-isolate. First of all, we hope that you are safe and well, and we want you to know that we are looking forward to the day when you are back with us.

In the meantime, we wanted to share again the plans put in place to support your learning at home.

Each of your subjects has come up with a learning plan that you can follow for this term – these plans follow the topics that will be covered in school for the weeks that you are at home. They may not be the exact same lessons, but the work set has been designed so that you do not fall behind with your studies whilst you are away. You can download these learning plans from the website here: (<https://www.montsaye.northants.sch.uk/students/homework/work-for-isolating-students/>)

**You will need to check which week or term we are in (some subjects have provided work by week, some by term) and click the links/complete the tasks set for that week. All of your work should be completed on paper and kept safe to hand in to your teachers when you return to school. Please follow your normal timetable as far as possible, try to keep to the school day so that you don't get overwhelmed with too much work, and if you struggle, please let us know.**

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
1 <sup>st</sup> Sept	7 <sup>th</sup> Sept	14 <sup>th</sup> Sept	21 <sup>st</sup> Sept	28 <sup>th</sup> Sept	5 <sup>th</sup> Oct	12 <sup>th</sup> Oct

If you are unable to access the internet for any reason, and so can't access this work, then you need to call school as soon as possible and let your progress leader know so that they are able to contact you and support you in accessing work in other ways. The school number is 01536 418844. This support may take the form of a loan laptop, or if this is not available, then it may mean a printed work pack is sent home. If this is the case, please bear with us whilst this is made ready for you, it will be with you as soon as possible.

In the very rare occasion that you are waiting for work to be delivered, please remember you can always:

- Create revision cards for the topics you have been studying in each subject recently
- Read your DEAR book
- Keep a daily diary to practice your extended writing

Take care, and if you need anything, please do contact your progress leaders in the first instance. Their email addresses are listed below.

Kind regards,

Mrs Berry
