Dear Parents/Carers,

We are currently reviewing the security of the school site in order to support our bid for extra funding for an automated gate on entry to Montsaye Academy. The funding will enable us to ensure that the school and its grounds are fully protected at all times whilst allowing the sports centre to remain open and welcoming to the public. With this in mind, we have employed StoneWall Security to maintain an overview of the site and check traffic entering and leaving the school.

We thank you for your support in this matter.

Kind regards,

Ann Davey
CEO Montsaye Community Learning Partnership
