Dear Parents/Guardians,

After much consideration I have taken the decision to ban the usage of phones during school hours from 8.40am to 3.00pm. Students will not be permitted to use their phones (including headphones) at all. Should parents need to be contacted during the day, this will be done via student reception only.

Any students who persistently do not follow these guidelines will have the phone confiscated and it will be required to be collected by parents from reception at the end of the day. We have not taken this decision lightly and would ask for your support to enforce this new rule to ensure that our students understand fully the high expectations we have of them in school. This will be enforced from Tuesday 21st November 2017.

Whilst I fully accept this decision may be unpopular with some, I am fully committed to ensuring that Montsaye Academy students remain focussed on their learning and progress whilst they are at school.

Many thanks for your continued support as we strive to improve Montsaye Academy and make it the institution that we can all be proud of.

Yours sincerely

Mrs Gabbi
