

Montsaye Academy Revision plans. Year 11 2023

Rationale: to drive up progress of pupils and ensure robust plan of revision and exam preparation

Plan 1 Half term 13th February to 17th Feb

Plan 2 20th Feb to 3rd of March (to include trial exam revision)

Plan 3 13th March to 31st March (to include plans for Easter revision)

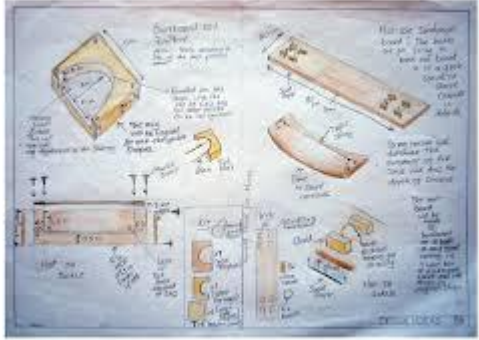

Plan 4 17th April to the 12th of May (to include bank holidays)

Examples of what to include:

Week	Classwork	Homework	Resources
1	Subject staff to map out what will covered lesson by lesson. This will need to be the 'hard' content that children need to have an expert there to help them with.	Recall type revision tasks, work that can be done without a teacher present. This needs to be specific, for example, Create a mind map on.... Create 5 revision cards on.... Etc etc	Specific links on websites, detailing which questions/tasks you need them to complete. Or which pages to read etc.
2	As above	As above	As above

Plan 1

(Subject)

Week	Revision plan for half term	Resources
1 (13 th February to 17 th February)	<p>1. Please can you make sure that you have photographic evidence of your model making as part of your NEA. When you have uploaded your photographs just describe how you made your models.</p> <p>It is VITAL that you show your models to your primary user and get their feedback about your design ideas.</p> <p>2. Have you completed a final 'formal' presentation drawing. A formal presentation drawing is like a working drawing that you could give to another person and they could go away and make it. Basically, it is a drawing with dimensions on it.</p>	<p>Page 11 of Erin Green's folder is a really good example.</p> <p>8104 Erin Green NEA.pptx</p> 

Please use the link provided to see a detailed view of a good formal presentation drawing.

3. Continue to plan ahead for your final product using the planning sheet that all of you have in your NEA folder. Good planning will result in a better final product.
4. The mark scheme for your model making/design drawings and presentation drawing are on **page 40** of the exam specification. *The link is opposite.*

Plan 2

(GCSE Design)

Week	Classwork	Homework	Resources
1) 20 th February	<p>Exam Question and peer assess.</p> <p>Complete your planning table for Thursday 23rd February and Friday 24th Feb.</p> <p>The planning table is a vital part of your NEA folder and is marked as part of your folder (see resources)</p>	<p>Wednesday 22nd Feb</p> <p>Photographs of your making process must be completed for homework NOT during lesson time.</p> <p>ALSO any material requests must be emailed to myself on 22nd February so that materials are ready for Thursday.</p>	<p>www.ocr.org.uk.url</p> <p>Page 41 has the mark scheme for your planning and making.</p>

	<p>Practical making and photographic evidence of each stage that you are making.</p>	<p>In your NEA folder please make a note of all the hand tools/equipment that you have used during the lesson. Once again this is necessary for the mark scheme.</p>	<p>www.ocr.org.uk.url</p> <p><i>'Use of specialist tools and equipment'</i></p>
<p>2) 27th February</p>	<p>P3</p> <p>Exam question and peer assess.</p> <p>Uploading photographic evidence of making including notes on specialist tools and equipment that you have used.</p> <p>Continue planning for the next 2 practical sessions</p>	<p>Wed 1st March</p> <p>Do you need specialist skills or equipment to make your final prototype.</p> <p>You will need to research how to undertake any specialist skills.</p> <p>You may need to use you tube to help you.</p> <p>e.g. How to stretch fabric over a piece of MDF? How to make a rack and</p>	<p>Use you tube to help you with some of the skills that you may require.</p> <p>There are many tutorials that will assist with any problems that you might encounter during your making.</p> <p>You tube clips will obviously need to be viewed as part of your homework OR see Mr. Freeman.</p>

		pinion using lego-technics.	Also use Mr. Gardner as a resource if you are stuck on any part of the making of your product.
Notes for trial exams:			

Plan 3
(Subject)

Week	Classwork	Homework	Resources
1 13 th March	<p>Referring your making to primary user. What does this mean and what do you have to write in your folder.</p> <p>Penultimate week for making your final design</p>	<p>Wednesday 15th March</p> <p>Photographs of your making process must be completed for homework NOT during lesson time.</p>	<p>Mr. Freeman will provide an example of what you need to write to refer to the primary user.</p>
2 20 th March	<p>Final week for completion of final design</p>		
3 27 th March	<p>Evaluation</p>	<p>Completing evaluation</p>	
Easter revision:			

Plan 4 (Subject)

Week	Classwork	Homework	Resources
1 17 th April			
2 24 th April			
3 1 st May			
4 8 th May			
Preparation for exams, to include all revision sessions
