

Montsaye Academy

Mission Statement to students

Our mission is to empower you to discover and unlock your future pathways through comprehensive support and guidance. As an integral part of your student experience and character development journey, we are dedicated to helping you make informed decisions about your career progression by providing up-to-date Local Market Information using a broad range of online resources such as UniFrog, the National Careers Service and Prospects, as well as organised visits from industry professionals, universities and training providers.

Our impartial career advice and guidance empower you to navigate your future confidently, whether you are pursuing higher education, seeking apprenticeships, or continuing with your education and training through our Sixth-Form Centre or local Further Education colleges.

Our friendly, level 6 qualified adviser is accessible via phone, email, or drop in's , ensuring personalised support for every student. We embrace diversity, tailoring our services to meet the unique needs of all students and fostering self-motivation, resilience, and active citizenship.

At Montsaye Academy we provide the knowledge, tools, and support necessary for you to make fully informed decisions and achieve your career aspirations.
