Congratulations

Our Year 7 football team won their first competitive tournament last week (the first time a Year 7 football team has won in over five years). An amazing performance; well done boys.

School Uniform - No Trainers

We are very proud of how smart our students are looking in their school uniform. However, there are a number of students who are currently wearing trainers. Please remember that the school uniform policy states that black shoes should be worn at all times, unless there is a medical reason (in which case we require a letter from a doctor). Any student presenting at school wearing trainers without prior consent will be sent to the pastoral office and asked to exchange them for a pair of black shoes which are held in stock.
