

Information about Parent Forum

Montsaye Academy has an active group of parents who meet six times a year on the 2nd Thursday of each term. They meet with senior staff and parents to discuss a range of issues and parents provide feedback on ideas and any general issues they feel that school may find beneficial.

Our first Parent Forum evening this year is at 6pm on Thursday 14 September 2017 where Mrs Gabbi, the new Principal, will be giving parents an opportunity to meet her. This is one of a series of evenings for parents to meet with key staff, the next of which is on Tuesday 26 September for year 7 parents to meet their child's tutor.

Should you wish to discuss a specific issue about your child, I am available every Wednesday afternoon by appointment to discuss individual children.

I look forward to seeing as many of you as possible next Thursday.

Yours sincerely

Miss O'Leary
Vice Principal
