Staffing	<ul style="list-style-type: none"> • CB updated parents about plans to ensure that school was fully staffed at the start of next term again this year. 	Underway and ongoing as required.	
Reports	<ul style="list-style-type: none"> • Mr Jones presented information on what is required legally and what Montsaye do. • Parents were requested to discuss the matter and advise the school so that we ensure the reports are most helpful for parents. 	Parents feedback provided to MJ to work on	To be posted on website to elicit further parental comments.
Parents Evening	<ul style="list-style-type: none"> • Some parents want to come to all evenings • There is a concern that currently the evening can result in a negative feeling because parents and child are only invited because child is not successful. • Suggest that positives are also a focus for evenings? • Parents do not like the lack of confidentiality during parents evening and would prefer a more private area • Parents have asked that we trial a booking system for parents evening • Parents do not like it when they have to move all around the school to see staff • Parents were adamant that the day should not be cut short allowing parents a longer time to see staff. 	<p>Considering Considering</p> <p>Considering Trying to solve this.</p> <p>Looking to do this</p> <p>Agreed at this point</p>	<p>It is difficult to balance competing demands</p>

	<ul style="list-style-type: none"> Parents ask that the reports are sent electronically and ask if they need a hard copy. 		A text is sent saying that the report is on line.
