Dear Parents/Carers

## Thank you from the Trust Board

We cannot praise Montsaye Academy staff, pupils and parents highly enough for their tenacity, resilience and untiring determination to ensure that the school improves and is once again deemed a 'Good' school by OFSTED. This has been a dramatic turn-around from special measures in barely more than 2 years and, put quite simply, this would not have happened without the determined vision and leadership of Mrs Gabbi and her team.

As Montsaye Community Learning Partnership we continue to work together with your children's interests at the heart of all we do; we are very excited about the next stage in our development as we continue to develop inspirational schools which instil purpose, belonging and independence in every learner, enabling them to find the greatness within them.

Yours sincerely
