

OAK NATIONAL ACADEMY HOME LEARNING SUPPORT – Additional Support

You currently need to do your learning from home. There are a lot of learning resources per subject, but you may require some additional support. The tables below contain links to some supporting topics on the Oak National Academy website. www.thenational.academy

- Look at the options and pick one which focuses on the skill you wish to strengthen.
- Click on the link and this will take you to the relevant topic.

Lessons usually include a video explaining the main ideas and then you need to follow instructions to complete some written work. Remember, if you need extra support you can... re-watch the video, email your teacher or the SENCo, check another source such as BBC bitesize, message a friend.
